PLEASE CAREFULLY READ THE SEPARATE HEALTH AND SAFETY PRECAUTIONS BOOKLET INCLUDED WITH THIS PRODUCT BEFORE USING YOUR NINTENDO® HARDWARE SYSTEM, GAME CARD OR ACCESSORY. THIS BOOKLET CONTAINS IMPORTANT HEALTH AND SAFETY INFORMATION.

IMPORTANT SAFETY INFORMATION: READ THE FOLLOWING WARNINGS BEFORE YOU OR YOUR CHILD PLAY VIDEO GAMES.

WARNING - Seizures

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes or patterns, and this may occur while they are watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch their children play video games. Stop playing and consult a doctor if you or your child has any of the following symptoms:

**Convulsions
Altered vision**

**Eye or muscle twitching
Involuntary movements**

**Loss of awareness
Disorientation**

- To reduce the likelihood of a seizure when playing video games:
 1. Sit or stand as far from the screen as possible.
 2. Play video games on the smallest available television screen.
 3. Do not play if you are tired or need sleep.
 4. Play in a well-lit room.
 5. Take a 10 to 15 minute break every hour.

WARNING - Radio Frequency Interference

The Nintendo DS can emit radio waves that can affect the operation of nearby electronics, including cardiac pacemakers.

- Do not operate the Nintendo DS within 9 inches of a pacemaker while using the wireless feature.
- If you have a pacemaker or other implanted medical device, do not use the wireless feature of the Nintendo DS without first consulting your doctor or the manufacturer of your medical device.
- Observe and follow all regulations and rules regarding use of wireless devices in locations such as hospitals, airports, and on board aircraft. Operation in those locations may interfere with or cause malfunctions of equipment, with resulting injuries to persons or damage to property.

WARNING - Repetitive Motion Injuries and Eyestrain

Playing video games can make your muscles, joints, skin or eyes hurt. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. Parents should monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- When using the stylus, you do not need to grip it tightly or press it hard against the screen. Doing so may cause fatigue or discomfort.
- If your hands, wrists, arms or eyes become tired or sore while playing, or if you feel symptoms such as tingling, numbness, burning or stiffness, stop and rest for several hours before playing again.
- If you continue to have any of the above symptoms or other discomfort during or after play, stop playing and see a doctor.

WARNING - Battery Leakage

The Nintendo DS contains a rechargeable lithium ion battery pack. Leakage of ingredients contained within the battery pack, or the combustion products of the ingredients, can cause personal injury as well as damage to your Nintendo DS.

If battery leakage occurs, avoid contact with skin. If contact occurs, immediately wash thoroughly with soap and water. If liquid leaking from a battery pack comes into contact with your eyes, immediately flush thoroughly with water and see a doctor.

To avoid battery leakage:

- Do not expose battery to excessive physical shock, vibration, or liquids.
- Do not disassemble, attempt to repair or deform the battery.
- Do not dispose of battery pack in a fire.
- Do not touch the terminals of the battery, or cause a short between the terminals with a metal object.
- Do not peel or damage the battery label.

Important Legal Information

This Nintendo game is not designed for use with any unauthorized device. Use of any such device will invalidate your Nintendo product warranty. Copying of any Nintendo game is illegal and is strictly prohibited by domestic and international intellectual property laws. "Back-up" or "archival" copies are not authorized and are not necessary to protect your software. Violators will be prosecuted.

The official seal is your assurance that this product is licensed or manufactured by Nintendo. Always look for this seal when buying video game systems, accessories, games and related products.

Nintendo does not license the sale or use of products without the Official Nintendo Seal.

THIS GAME CARD WILL WORK ONLY WITH THE NINTENDO DS™ VIDEO GAME SYSTEM.

CAUTION - Stylus Use

To avoid fatigue and discomfort when using the stylus, do not grip it tightly or press it hard against the screen. Keep your fingers, hand, wrist and arm relaxed. Long, steady, gentle strokes work just as well as many short, hard strokes.

GETTING STARTED

To begin playing, insert the Style Lab™ Jewelry Design Game Card into your Nintendo DS™ system and push the Power Button.

CONTROLS

- Use the stylus to navigate menus.
- Use the stylus to drag beads, charms, and pendants onto your chain on the Touch Screen.

INTRODUCTION

Develop your jewelry design technique and style with Style Lab Jewelry Design. Experiment with dozens of real jewelry templates, hundreds of beads, and other jewelry materials.

Of course it's not just making jewelry that makes designing fun, it's making just the right piece for that special someone. Practice your skills in our Story mode, where you will encounter customers of all ages and personalities. Impress them with your flair for fresh and fun designs.

CHARACTERS

Lila

Your best friend from design school, Lila, is trying to make it in the fashion world. She is a budding fashion stylist who is always willing to help a friend in need! She always comes to you for jewelry to give to her celebrity clients and is striving to land a gig in Europe!

Melanie

Your mentor, Melanie, owns her own boutique where you start out as an intern. She is teaching you the jewelry design ropes and what it takes to achieve your dreams!

Katia

A friendly woman who owns a local café, she is a businesswoman who knows that caring about customers will make them come back for more!

Gaby

Katia's daughter, Gaby, is an energetic girl who always wants to help her mom, but her mischievous streak often ends up getting her in trouble. You are the closest thing she has to a big sister!

Mom & Dad

Mom isn't a fashionista, but she is unwavering in her support. Dad isn't quite convinced jewelry design is a real job, so it takes longer for him to see how your plan will work.

Great Aunt Tia

Your Great Aunt Tia is a well-traveled socialite. She wants to make sure that her grandniece will make her way to the top and be a successful designer!

Miranda

Who does this girl think she is? You've seen her around town before and know she has her own jewelry boutique. She doesn't seem very nice – who knows what her problem is.

Gregory

Gregory is your source for the hottest new beads and jewelry supplies. Check out his shop after every level so you can stay on top of the latest trends.

THE GAME

Main Menu

New Game/Continue: This is where your adventure as a jewelry designer begins!

Guest: This function allows a friend to play without saving over your profile.

Options: Adjust your volume and language settings. You can also erase the save slot if you want to start all over again.

Title Screen

Story Mode: Create jewelry, serve customers, and gain fame as a jewelry designer!

Free Play Design: You can create your own designs just for fun. New designs and material will be unlocked as you progress through Story mode.

My Laptop: Get quick access to your jewelry design portfolio, the shop, and your business profile.

Upload: View the Nintendo Wi-Fi Connection menu. See page 14.

Story Mode

Toggle through chapters to choose a newly unlocked one or replay a prior one. You can view your best performance on the Top Screen, based on:

- How many reputation Stars you earned, based on how well you satisfied each customer.
- How many Coins you earned of the total possible to earn each time you play.

Gift boxes shown on the Touch Screen indicate which unlockables you have won previously for this level.

You will be able to see what items were unlocked in each level by selecting one of the gift boxes on the Touch Screen.

When you enter your boutique in Story mode, customers will appear! Touch a customer to find out what they want.

The customer request will tell you what type of jewelry they want, any color or theme preferences, if they have a budget, and how long they can wait. You can decide to take care of them now, or you can find out what the others want first.

Once you complete a customer's order, they will let you know how you did. Each relevant area will be scored with a number of Hearts based on how your design met their request. Your overall performance will determine the number of Stars and Coins you earn for that customer.

Tip: You can serve customers in any order, until you see a Star customer. A Star customer is the final customer you need to serve to end the Chapter. To maximize your score, serve everyone else before them.

YOUR STUDIO

This is where you will be making your jewelry designs.

Your Laptop

Shop: You can buy new beads, charms, and pendants.

Once you have unlocked new items, they are available to buy at the Shop. Gregory is the shopkeeper and will help you purchase new types of beads. You will also be able to unlock jewelry and other accessories for your boutique.

Business Profile: You can see how the choices you have made in Story mode are reflected in your business personality profile.

My Designs: Your designs that are in your portfolio will be displayed here. You can also access the Nintendo DSi™ system Camera feature. To learn how to use the Nintendo DSi Camera feature, see page 13.

Jewelry Design

Making jewelry is a six-step process:

1. Cut a length of chain (depends on jewelry type).
2. Choose a template.
3. Choose your beads and other materials.
4. Place your beads into the template.
5. Preview and Accept – does it look perfect?
6. Finish the clasp or other finish (depends on jewelry type).

When starting a necklace or bracelet, the Chain Cutting step is when you get to roll out and cut the length of chain that is needed for each design.

Start by choosing the pattern you will use for the jewelry you are making. The templates vary in type of jewelry and number and type of beads. As you play through Story mode more templates will be unlocked to use in Free Play. Use your stylus to spin through the selection.

Sorting Tabs

This is where you get to select beads, charms, and pendants to fill out the template and create your jewelry. Which ones to choose? In Story mode, pay attention to the customer's request (as you play through Story mode, beads, charms, and pendants will also be unlocked in Free Play mode). Use your stylus to spin through the selection.

This is where you will get to add the beads you selected to the template you are designing.

Panning Buttons

When finished with a necklace or bracelet, you need to crimp the ends and add a clasp.

When starting earrings, you need to use your stylus to arrange your earring materials for use by rotating and sliding materials into the on-screen slots.

When finished with earrings, use your stylus to complete your earrings by following the on-screen help to attach the earwire to your design.

Not really a jewelry-making step, but how can you sell jewelry with a dusty display case? Display your jewelry with confidence by dragging your stylus over the dirty glass to clean your display.

Front Window Display

The window display gives you the opportunity to change the background of your window and boutique. You will also be able to add displays and accents, place jewelry on the displays, change sounds, and customize their boutique sign. Some customers will give you tips if they like your chosen decorations.

Nintendo DSi Camera Feature

If you are using a Nintendo DSi, you can use the Nintendo DSi Camera to try on the jewelry you make in the game! To access the Camera feature on the Nintendo DSi, go to the My Designs section of the Laptop Interface. From here, touch any jewelry design within your portfolio to bring up a set of options. Select Try It On, and you can use the Take a Photo option, lining up your face with the jewelry guides on the Top Screen. Once you take your photo, you will see yourself wearing the piece of jewelry you selected in your portfolio. Flip through the various designs to see them on yourself! You can save the current photo, or take another. Once saved, the photo of the player wearing their own jewelry designs is displayed on the Top Screen of the Nintendo DSi.

Note: Only earrings and necklaces can be shown on the photos.

Tips for Photos:

- Capture photos in a bright environment.
- Tilt the Top Screen to find the best angle for taking photos.
- Hold your arms away from your body to capture a larger area.
- Touch Switch to toggle to the outside camera. In this mode you can take pictures of family, friends, and even pets!

Nintendo Wi-Fi Connection

To play Nintendo DS games over the internet, you must first set up the Nintendo Wi-Fi Connection (Nintendo WFC) on your Nintendo DS system. Please see the separate Nintendo Wi-Fi Connection instruction booklet included with this game for directions on setting up your Nintendo DS.

The Terms of Use Agreement which governs Nintendo Wi-Fi Connection game play is available in the Nintendo Wi-Fi Connection instruction booklet or online at www.nintendowifi.com/terms.

The nickname you use will be seen by others when playing multiplayer games using Nintendo WFC. To protect your privacy, do not give out personal information such as last name, phone number, birth date, age, e-mail or home address when communicating with others.

Nintendo Wi-Fi Connection game play uses more battery power than other game play. You may prefer to use the AC Adapter to prevent running out of power when using the Nintendo Wi-Fi Connection. You can also play Nintendo WFC compatible games at selected internet hotspots without additional setup.

WARRANTY

Ubisoft warrants to the original purchaser of its products that the products will be free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase. Ubisoft products are sold "as is," without any expressed or implied warranties of any kind, and Ubisoft is not liable for any losses or damages of any kind resulting from use of its products. Ubisoft agrees for a period of ninety (90) days to either replace defective product free of charge provided you return the defective item with dated proof of purchase to the store from which the product was originally purchased or repair or replace the defective product at its option free of charge, when accompanied with a proof of purchase and sent to our offices postage prepaid. This warranty is not applicable to normal wear and tear, and shall be void if the defect in the product is found to be as a result of abuse, unreasonable use, mistreatment, or neglect of the product.

Limitations: This warranty is in lieu of all other warranties and no other representations or claims of any nature shall be binding on, or obligate Ubisoft. Any implied warranties applicable to Ubisoft products, including warranties of merchantability and fitness for a particular purpose, are limited to the ninety (90) day period described above. In no event will Ubisoft be liable for any special, incidental, or consequential damages resulting from possession, use, or malfunction of Ubisoft products. Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages. So the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific rights, and you may also have other rights that vary from state to state.

Notice: Ubisoft reserves the right to make improvements in its products at any time and without notice.

Returns: Ubisoft cannot provide refunds or otherwise process returns for credit of any kind other than an identical product replacement. Any product refund request must occur at the place of purchase, as the individual retail outlets set their own refund policy. This policy covers identical product replacements only.

Product/Documentation Replacements: Please contact a Ubisoft Technical Support Representative directly before sending your product to us. In many cases, a replacement is not the best solution. Our Support Representatives will help you determine if a replacement is necessary or available. You will need to first acquire an RMA (Return Materials Authorization) number to process your return or replacement. **Without an RMA number from a Support Representative, your replacement request will not be processed.**

If we determine a return or replacement is necessary:

Please return the product (media only) along with a check or money order (if necessary) for the amount corresponding to your product (see replacement fees below) made payable to Ubisoft, a copy of the receipt, a brief description of the difficulty you are experiencing, including your name, address (no PO boxes), **RMA number**, and phone number to the address below.

Replacement Fees: Our most recent replacement fee schedule is available online. Please visit <http://support.ubi.com> for an updated price list.
